WEST COAST CHI ALPHA

growing where we are

# Westcoast Chi Alpha family

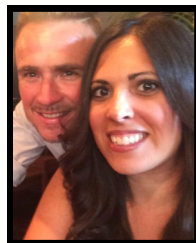

We hope you enjoy this first edition of West Coast Chi Alpha updates for Fall 2015! Your faithful prayers and generous support have blessed our family more than you could know! We have traveled much and ministered to many, all as a family. Thank you for investing with us in the greatest ministry opportunity we will ever have, our marriage and children!

# Westcoast Chi Alpha — testimonies

3 day trip to UCSB to empower students in evangelism!

Ministered to over 80 students during our time at UCSB

Monica walked in the tent an atheist and out a new believer 10 min. later!

Hundreds of students that have surrendered their lives to Christ through Chi Alpha campus outreaches across the West Coast over the last few months! Encounter evangelism was and is the operative of Christ gathering sons and daughters into our Father's house. For 11 years we have developed several empowering settings to strengthen and release students in their supernatural witness to the university community. One effective framework has been the "Free Spiritual Readings" tent which has exceeded the borders of our Central Valley campuses as staff and students alike seek to receive and release the word of the Lord over students walking on their campus'.

Several Chi Alpha's on the West Coast and beyond have seen incredible eternal fruit using this outreach!

In honor of Jeremy Anderson and Chi Alpha at Cal State Stanislaus - Chi Alpha at the University of Louisiana set up a tent and did Free Spiritual Readings - 10 students made decisions to follow Jesus!

# Westcoast Chi Alpha planting

Prayer-walked CalPoly with our family and friends. Had the privilege to pray with a few groups from the football team!

Planting Chi Alpha's that reproduce missionaries who will plant new Chi Alpha's in the midst of reaching and discipling their campuses. This is one of the primary focuses we pray and plan for. We are currently streamlining with the Spirit to plant two new Chi Alpha ministries in 2016 including CalPoly SLO! In addition, we have 7 West Coast missionaries who have received intensive training to help assess incoming missionaries to strengthen our leadership vetting and the long term health of our missionary laborers.

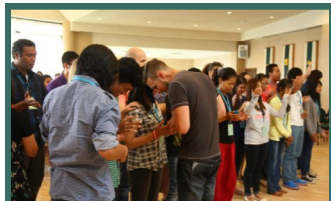

Praying & prophesying over a fiery Christian freshmen Cal Poly during a vision & intercession rally on campus!

7 new missionary assessors trained to help plant Chi Alpha's on the West Coast!

# Westcoast Chi Alpha training

Had the privilege of joining a powerful squad of speakers in training 120 Chi Alpha leaders from 18 nations in the Asia Pacific!

Perhaps one of the greatest and most humbling privileges of this ministry is to yield ourselves to the Lord in the labor of "...equipping the saints for the work of the ministry." (Eph.4:11-12).

There is an irreplaceable joy that is found by investing in faithful men and women of God who will carry the love and power of the Lord into depths of darkness we've only dreamed of brining light to.

*"The one who does the work is only surpassed in value by the one who multiplies the doers."*

# Westcoast Chi Alpha — resourcing

Johnny (big smile front and center) received the baptism in the Holy Spirit in his dorm while receiving from this online resource.

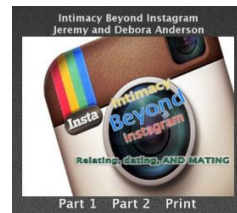

The Apostle Paul wrote, sent, and went in order to resource the early church in discipleship and evangelism. Today we have the same methods and more available to us for the equipping of the saints. While it is the Spirit that leads us into all Truth, the Truth is now streaming through many different channels of availability for those who are seeking. It's our conviction that of the many options students have to browse the web, what better option to make available than revelatory resources that put them one click away from wisdom they desire, instead of the distractions that so easily entangle today's generation.

# Westcoast Chi Alpha strengthening—

Here is a simple fact, missionaries have the greatest privileges of serving and seeing His kingdom come while simultaneously facing the unyielding attacks of the enemy. You won't find them complaining about it, but you will find them receptive to the refreshing of the Lord through the prayers of the saints and a hand of faith on their shoulder reminding them of the promises of God. Thank you for sending us to stand with those who are winning souls and discipling nations. Here are some pictures from our time during the fall on seven campuses visited to prayer-walk and invest in relationships with the chi alpha missionaries serving them.
