WEST COAST CHI ALPHA

growing where we are

# West Coast Chi Alpha family

Words can not express the priceless blessing of living out our calling as a family. Thank you for sending our little squad to reach and disciple the 3 million+ collegiates in our west coast region! We continue to grow deeper in love with God and each other daily on this joyful journey!

# West Coast Chi Alpha training

**Trained over 1200 students at the World Missions Summit to minister the baptism and gifts of the Holy Spirit!**

**Student Leadership Training at San Diego State University**

**Evangelism equipping with Louisiana Chi Alpha**

**Pioneering Boot Camp**

**Support Raising Training**

**Nor/Cal Chi Alpha internship learning party**

# West Coast Chi Alpha

# — resourcing

**RUSSIA**— I was given a tremendous opportunity to introduce a bishop from Russia to the concepts of campus ministry that could be applied in his homeland! Please pray for Chi Alpha Russia!

**TAIWAN**— We sent our second team to help equip and resource leaders of church and campus ministry to minister in the power of God!

# West Coast Chi Alpha — testimonies

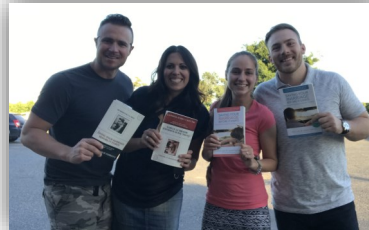

From the west coast across the nation we are experiencing rapid acceleration of impartation and implementation of Holy Spirit gifts!

After serving in full-time ministry for 17 years I was honored to receive my ordination at our Northern California/Nevada District Council!

We have had the privilege of working closely with Jimmy Homeier, SacState Chi Alpha Director, for his first two years and now I get to stand with him and Dina on the sacred altar of their lifelong commitment to each other!

# West Coast Chi Alpha prayer

**JULY**— we will gather 70 missionaries and their families along with three potential missionaries for our annual area conference. Please pray for deepened relationship and leadership development that will serve the purposes of God in writing His-story over our west coast campuses!

**FEATURED  
SPEAKERS & GUESTS**

**JEREMY ANDERSON**  
West Coast Area Representative // Chi Alpha // Turlock, CA

Jeremy and his wife Debora serve as the missionary Area Directors of Chi Alpha on the West Coast. After becoming directors of a local chapter of Chi Alpha at CSU Stanislaus in 2006, they pioneered and planted Chi Alpha ministries on six more university and college campuses in California's central valley throughout the next eleven years. A dynamic ministry of supernatural power that captivates and inspires excellence that integrates students into their divine destiny in the collaborative passion and priority of the Anderson's assignment. The supernatural discovery of evangelistic and apostolic ministering God has set on their lives has enabled them to effectively equip and send a team of missionaries who equip and send students daily to see the kingdom of heaven manifest on their campuses and delivered to the nations. While the ministry of reconciliation and discipleship continues to thrive on these areas campuses the Andersons serve as apostolic oversight with their missionary team in the central valley while extending the mission on their lives into the greater west coast region.

**ANAHEIM 17  
SCHEDULE**

**AUGUST**— I have the privilege of representing our chi alpha movement during the Assemblies of God General Council. Please pray over this time for divine connections that help propel laborers into the harvest and prepare youth for their high calling on campus!

## CMT Hawaii 2017

**SEPTEMBER**— Our Hawaii A/G leadership is partnering with Chi Alpha to offer our first Campus Ministry Training lab. This historic opportunity will help posture our local churches and students to reach the lost and equip the save on our island campuses!
